and teachers to enhance the modernization of higher education in MOLDOVA*
Project durations: 15/10/2017 – 14/10/2020

Alecu Russo Balti State University (USARB)/ Newsletter no. 1

NOVEMBER | 2018

OVERVIEW

 The modernization of curriculum of *Business & Administration* Programme is the objective to be achieved through the ReSTART project. This will bring valuable contribution to the development of internationalization, strategic partnerships and innovative cooperation of Alecu Russo Balti State University, which is the leading higher education institution from the Northern region of Moldova.

 The overall goal of the project is to mainstream and upgrade entrepreneurship and digital learning needs of students, teachers and local businesses from a wide geographical coverage of northern, central and southern parts of the Republic of Moldova, and the ReSTART team of USARB is engaged in achieving this goal.

FIRST TRAIN OF THE TEACHERS SESSION

 Transferring innovative practices in teaching and learning through entrepreneurial and digital skills development was the main objective of the **1st “Train of the Teachers”** Session organized within **22-25 October, 2018** at **Polytechnic University of Bucharest** (Romania).

 **USARB** teachers were acquainted with the innovative pedagogical approaches for face-to-face and digital teaching and learning, which are essential for the improvement of the entrepreneurial education practices of the beneficiaries from **Moldova** and not only. The **ToT Session** was organized in partnership with University of Ruse “Angel Kanchev” (Bulgaria), Technical University of Kosice (Slovakia) and Agence Universitaire de la Francophonie (Romania).

“ An exceptional opportunity to transform academics mindsets through digital and entrepreneurial skills development.”

(Nelli Amarfii-Railean,
USARB Project Coordinator)
