

Seminars

”Understanding of the main issues of EU policies toward Moldova”

Dear students, junior professionals and academic community,

It is our pleasure to invite you on the seminars *”Understanding of the main issues of EU policies toward Moldova”* in the framework of the project Nr. 610667-PPE-1-2019-1-MDEPPJMO-PROIECT: *Fostering European Integration of the Republic of Moldova with the specific accent on the agriculture sector*, co-funded with the support of the EU. If you are interested in the EU policies, opportunities offer by EU, agriculture, rural development, do not miss the chance to join these seminars with interactive speeches of experienced and knowledgeable guests, presentations and case studies.

Seminars are organized taking into account the insufficient understanding, information and support activities for interested participants concerning the EU policies towards Moldova with the focus on agriculture and rural development aspects as well.

✔ **Objectives:**

- To foster and strengthen understanding and awareness of university students, researchers from local and rural areas on the European Neighborhood Policy and Eastern Partnership, EU-Moldova Association Agreement, with the emphasis on agriculture and rural development policies ;
- To inform and raise awareness of representatives of the students associations, youth, young leaders, non-governmental organizations on regional and local levels on the importance of the European Neighborhood Policy and Eastern Partnership, for the development of the country and to promote their engagement in the policy dialogue in their local communities.

✔ **Working language:** Romanian, Russian, English

✔ **Who can participate?**

Each seminar will bring together at least 30 interested participants, including 2 non-local contributors.
