Dear Friends,

The VIII Virtual International Spring Symposium is organized by the English and German Philology Department of Alecu Russo Bălți State University in collaboration with the Association of Teachers of Foreign Languages, the American Center from Bălți and TESOL Ukraine.

Year by year, we have extended our partnership worldwide. This year, our organizing committee has co-partnered the academic communities from the USA, Romania, Ukraine, Serbia, Georgia, Azerbaijan, the Check Republic, Belgium, Israel, and Spain. We strongly believe that the Symposium will offer a platform for educators to share best practices in Language Education in the 21st century and develop their professional skills. We are convinced that the fruitful interaction of the participants during this two-day virtual event will foster their professional communication.

We would like to thank the administration of Alecu Russo Bălți State University for their continuous engagement to sustain our efforts in organizing the VIII Virtual International Spring Symposium.

We are extremely grateful to the US Embassy Public Affairs Section in the Republic of Moldova for the encouragement and generous support in our endeavors.
